

TheNextRound Expands in US, Europe, Asia and Middle East

WESTBOROUGH, MA -- (BUSINESS WIRE) – January 11, 2008 -- TheNextRound, Inc., a Massachusetts corporation specializing in integrated software solutions for the Private Equity and Alternative Investment communities, today announced the results of its expansion efforts throughout 2007.

TheNextRound expanded all operations in the US, Europe, Asia and the Middle East while adding 59 new customers across 18 countries in 2007.

TheNextRound also expanded its London office to a new location in October 2007, and new offices are being opened in Hyderabad, India and Dubai, UAE to support continued growth in those regions.

With the addition of many new employees and anticipated growth, TNR's headquarter office will be moving to Framingham, MA on January 25, 2008. The new location will support continued growth to over 100 employees and offers advanced facilities for training, development and client support.

In September, 2007 TheNextRound was named the ninth fastest growing technology company in New England by Deloitte as part of the Deloitte Fast 50 List.

Andy Barrett, Director of Business Development at TheNextRound said that "2007 was a very exciting year for us and for our clients. Our continued growth has allowed us to meet the increased demand for support and services and to meet our clients' strategic requirements. We are fortunate to have a great team of people at TheNextRound, and many great partners through our clients."
